STERIGLIDE™ CANNULA

[tsklab.nl/steriglide-cannula/...](https://tsklab.nl/steriglide-cannula/)

The revolutionary design of the STERIGLIDE™ cannula provides up to 50% better gliding.

The cannula direction can be better controlled, and the filler can be placed more precisely.

- 50% better gliding
- 8N cannula introduction force needed
- Near tip product delivery
- Ultra thin wall
